"Bringing Professionalism through the Art of Communication"™

Spanish Pronunciation by VerbaCom®

Speak Spanish and Be Understood!

This self-study computer based training will walk you through the basics of Spanish Pronunciation.

You will be able to sound out any Spanish word and pronounce it correctly!

Wouldn't it be nice to know how to pronounce phrases like these?

- Hay peligro. *There's danger.*
- Alto. *Stop.*
- Apágalo. *Turn it off.*
- Váyanse. *Everyone go.*
- ¿Sabes operar esto?
Do you know how to operate this?

I know he's speaking Spanish, but I can't understand a word he's saying!

***Read Spanish ...
... Sound Like a Native!***
