

# Ethics and Integrity

---

It's a Matter of Respect

Victor J. Betancur

# Objective

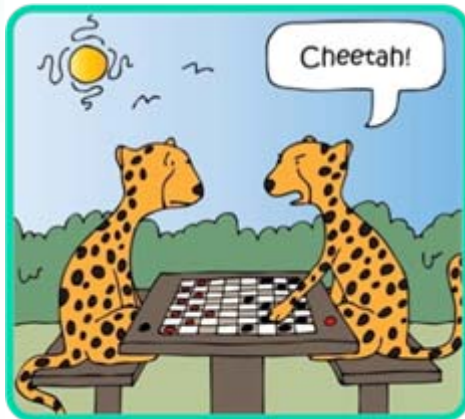

---

- ❑ Share tried and tested “self-imposed” workplace business rules
- ❑ Provide examples of self-destructive behavior and attitudes that can stymie work relationships and distance your customers
- ❑ Stimulate interactive discussion regarding Integrity and Ethics.

# Keep Your Behavior In Check

---

- How you conduct yourself in the business setting and otherwise is a personal choice.

## REMEMBER

"Unethical" or other "Questionable Conduct" can and will impact your image, credibility, reputation and your ability to achieve your maximum potential.

# First Things First

---

- ❑ What are your business objectives?
- ❑ Who are your customers?
- ❑ Stimulate interactive discussion regarding Integrity and Ethics.

# Your Reputation

---

- Can a negative reputation ever be mended?
